APPLICATION FORM
with a request to conclude the Server Housing Agreement

SUBJECT OF REQUEST

By signing and submitting this Application Form, the User submits a request to the Provider to conclude the Server Housing Agreement, which will enable the User to have a permanent connection to the Internet via TCP/IP or ISP network. Provider shall charge the User with the appropriate fee for this type of service as specified by the Agreement.

TYPE OF SERVICE

This Application Form for the provision of service implies:

1. Enabling a permanent connection to the Internet via TCP/IP network and ISP server rental;

or

2. Enabling a permanent connection to the Internet via TCP/IP network by authorizing the Provider to manage and connect your server to the Provider's equipment.

(Please circle/underline the desired type of service)

AGREEMENT APPLICATION

By submitting this Application Form to the Provider, the User is accepting the Server Housing Agreement, applicable to all users and available via www.bitsyu.net.

The User confirms that the Agreement specified in the previous section of this Form applies to the mutual relationship between the User and the Provider, with the date of submission of the Application Form and the execution of payment in accordance with the Agreement.

Submission of the Application Form may be made electronically, while the payment is done via invoice provided by the Provider.
